

Little M Iron

Chevy Blocks

**Dart Little M and Little M Sportsman blocks
are the best choice for**
your **HIGH PERFORMANCE** small block Chevy.

Check out these features

- Extra thick walls prevent cracking and produce excellent ring seal.
- Extra thick decks ensure reliable head gasket seal.
- Increased coolant flow around cylinders for better cooling.
- Steel 4 bolt main bearing caps with splayed centre caps standard on Little M. (Sportsman blocks use Ductile 4 bolt centres and Ductile 2 bolt end main caps).
- Upgraded low restriction priority main oiling system.
- Little M blocks include freeze plugs, coated cam bearings and dowels. (not included with Sportsman)
- Machined on state-of-the-art CNC equipment & quality checked.
