

IWIS

Chains move

the World!

That's the slogan of Germany's worldwide acclaimed manufacturer of timing chains and oil pump chains. No wonder that these quality chains are often exclusively being used by European car manufacturers.

PRECISION is proudly offering their full range for all European applications:

- Single row chains
- Double row chains
- With connecting links
- With riveting links
- Endless chains
- Heavy duty chains
- Chains for Diesel applications

The logo for IWIS, consisting of the letters 'IWIS' in a bold, stylized, sans-serif font. The letters are thick and closely spaced, with a slight shadow or outline effect.

All developed, tested and approved according to the stringent demands and specifications of car manufacturers worldwide.
