Chevy Cylinder Heads

NEW Dart Iron Eagle Platinum cylinder heads
are the best choice for
your HIGH PERFORMANCE small block Chevy.

***Check out these features
that put Dart back at the head of the pack!***

- High velocity & flow 180cc 200cc 215cc or 230cc intake runners meet the needs of large displacement & high RPM race engines.
- Choice of 64cc or 72cc blended heart shaped chambers for a more controlled combustion.
- Proprietary Speed Flow™ ports with profiled valve guide bosses offer awesome airflow "out of the box".
- Multi-angle intake seats & radiused exhaust seats dramatically increase airflow.
- Manganese bronze intake & phosphorous bronze exhaust guides STD.
- Perfect replacement for Pro Lightning cylinder heads.
- 100% pressure and quality checked.
